

# ***First Bank of Highland Park***

Where Community is First!

## **Countryside Montessori School**

Warm your heart and soul on a cold day by stopping by First Bank of Highland Park throughout February to view a Valentine's Day inspired exhibition from students at Countryside Montessori School. Your heart will rejoice as you experience artwork created through the eyes of childhood innocence. At Countryside Montessori, children are learning the importance of respect, responsibility, and resourcefulness, fostering students who will become successful adults and active contributors to our community.
