

First Bank of Highland Park

Where Community is First!

Random Acts of Flowers

Knock-knock. Who's there? Random Acts of Flowers! Stop by First Bank of Highland Park throughout the month of July to learn how Random Acts of Flowers is repurposing fresh flowers into beautiful bouquets and making surprise deliveries to individuals in healthcare facilities across the country. Flowers have the ability to brighten a person's room and their spirits. An unexpected visit from a Random Acts of Flowers' volunteer delivers hope, healing and personal moments of kindness to many in our community who may not receive other visitors or gifts during their hospital stay. Help spread the joy by bringing an empty vase to FBHP this month!
