Les Turner ALS Foundation

Stop by First Bank of Highland Park throughout August to learn about the Les Turner ALS Foundation. For 40 years, the Foundation has been helping local patients and their families cope with ALS which rapidly progresses from muscle weakness, difficulty speaking and swallowing to complete paralysis. The Foundation provides crucial funding for research, a full spectrum of individualized care and support, including: in-home consultations, support groups, equipment loans and educational programs. Every 90 minutes someone is diagnosed, and every 90 minutes, someone dies from ALS.
